*The Day God
Called You Home*

God looked around His garden and found an empty place,
He then looked down upon His earth
And saw your loving face. He put His arms
around you and lifted you to rest,
His garden must be beautiful,
He only takes the best.
He knew that you were suffering,
He knew you were in pain, and knew
that you would never get well on earth again.
He saw your path was difficult,
He closed your tired eyes, He whispered to you,
"Clarence, Peace be Thine"
And gave you wings to fly. When we saw
you sleeping so calm not to suffer once again,
You've left us peaceful memories,
your love will always be our guide.
You will live on through your children,
You will always be by our side.
It broke our hearts to lose you,
but You did not go alone,
For part of us went with you on
The day God called you home.

*We Love You and We'll Miss You,
With love, Your Children,
Teshia, Shantrell, and Destiny*

Benediction

Forever in Our Hearts

*A million times we needed you,
A million times we've cried,
If love alone could have saved you,
You never would have died,
In life we loved you dearly,
In death we love you still.
In our hearts you hold a place,
No one could ever fill.
It broke our hearts to lose you,
But you did not go alone,
A part of us went with you,
The day God called you home.
Your precious memories are our keepsakes
With which we'll never part,
God has you in his keeping,
We have you in our hearts.*
