### *Miss Me*

*When I come to the end of the day a  
And the sun has set for me  
I want no rites in a gloom-filled room.  
Why cry for a soul set free?  
Miss me a little, but not too long  
And not with your head bowed low.  
Remember the love we once shared-  
Miss me, but let me go.  
For this is a journey we all must take  
And each must go alone.  
It's all a part of the Master's plan,  
A step on the road to home.  
When you are lonely and sick at heart  
Go to the friends we know  
And bury your sorrow in doing good deeds-*
