Loving Memories

Love Lives On

Those we love remain with us,
for love itself lives on,
And cherished memories never fade,
because a loved one's gone;
Those we love can never be
more than a thought apart,
For as long as there is memory,
they will live on in the heart!
Love Lives On

*It comforts us to know that death cannot diminish,
The important ways our loved one touched our lives.
That grief cannot take away the happiness we shared.*

*That sorrow will fade in time
but our love will remain forever.*
